Barrister — AI Governance & Technology Law

morgan.ellery@example.com · +44 7700 900123 · London, UK · linkedin.com/in/morgan-ellery-example

PROFILE

Barrister with eight years' practice in technology and regulatory law, with a recent focus on AI governance frameworks. Advises clients on compliance with emerging AI safety legislation across the UK and EU, and has appeared before regulatory tribunals on data protection and algorithmic accountability matters.

EXPERIENCE

Senior Associate, Technology & Regulatory Practice

Fenwick Harrow Chambers — London — 2021–present

- Advise financial services and healthcare clients on AI Act compliance and algorithmic risk assessments.
- Lead drafting of governance frameworks for three FTSE 250 clients deploying high-risk AI systems.
- Regular contributor to chambers' AI policy briefings for parliamentary committees.

Associate, Commercial Litigation

Bramwell & Voss LLP — London — 2018–2021

- Represented clients in data protection and technology disputes before the First-tier Tribunal.
- Advised on cross-border data transfer agreements under UK GDPR.

Trainee Solicitor

Bramwell & Voss LLP — London — 2016–2018
